**BOOTCAMP** – This cardio intensive, bodyweight and light weight class will help push you to your utmost potential and beyond. Show up ready to sweat with running/jogging, agility, and strength training! Don't be intimidated though; every trainer is more than capable of adjusting exercises to ensure everyone can be included!

**FIT4BIZ BOOTCAMP** – Join us over the lunch hour to enjoy the same benefits as our morning bootcamp sessions!

**KINESIS** – The 45 min. strength and cardio combo is performed at the Kinesis strength wall. Kinesis strength exercises are performed “circuit” style with intervals of cardio step moves. This fast paced workout gives you the best of both worlds.

**SOCIAL SPIN** – Social spin takes the basic principles of spin and brings it to a beginner's level. This coupled with some light weight upper body work creates a great low impact, and extremely friendly, environment to help you elevate yourself to new levels!

**WERK & SLURP** – Stop in on your lunch break for a “werk” out and lunch prepared by us! This lunch hour class includes a 30 minute HIIT workout (High Intensity Interval Training) followed by a Premium Protein Smoothie of your choice for your lunch!
